

# Open Trivia

---

## Provides:

This API provides a way for you to add trivia questions to your software

## Key Provisioning:

**Pain factor** (0=easy...5=nightmare): 

- Visit the website and acquire a session token by filling out a helper form.
- Use the link and you are set

## Quotas:

- Only 1 Category can be requested per API Call. To get questions from any category, don't specify a category.
- A Maximum of 50 Questions can be retrieved per call.

---

## The Good:

- Easy to use
- Free
- Session tokens are easily attainable

## The Bad:

- Session Tokens are deleted after 6 hours of inactivity.
- Only MC or True/False format

## The Ugly:

- NONE!
